For Instant Use

As a reliable remedy, in cases of Croup, Whooping Cough, or sudden Colds, and for the prompt relief and cure of throat and lung diseases, Ayer's Cherry Pectoral is invaluable. Mrs. E. G. Edgerly, Council Bluffs, Iowa, writes: "I consider Ayer's Cherry Pectoral a most important remedy for home use. I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults." John H. Stoddard, Petersburg, Va., writes: "I have never found a medicine equal to

AYER'S
Cherry Pectoral

for the prompt relief of throat and lung diseases peculiar to children. I consider it an absolute cure for all such affections, and am never without it in the house." Mrs. L. E. Herman, 187 Mercer st., Jersey City, writes: "I have always found Ayer's Cherry Pectoral useful in my family." B. T. Johnson, Mt. Savage, Md., writes: "For the speedy cure of sudden Colds, and for the relief of children afflicted with Croup, I have never found anything equal to Ayer's Cherry Pectoral. It is the most potent of all the remedies I have ever used." W. H. Stickler, Terre Haute, Ind., writes: "Ayer's Cherry Pectoral cured my wife of a severe lung affection, supposed to be Quick Consumption. We now regard the Pectoral as a household necessity." E. M. Breckenridge, Brainerd, Minn., writes: "I am subject to Bronchitis, and, wherever I go, am always sure to have a bottle of

Ayer's Cherry Pectoral

with me. It is without a rival for the cure of bronchial affections."

AN EXTRAORDINARY OFFER.

To All Wanting Employment.

We want Live, Energetic and Capable Agents in every county in the United States and Canada, to sell a patent article of great merit, ON ITS MERITS. An article having a large sale, paying over 100 per cent profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents and the fact that it is an article that can be sold to every house-owner, it might not be necessary to make an "EXTRAORDINARY OFFER" to secure good agents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but in its salability by any agent that will handle it with energy. Our agents now at work are making from $150 to $600 a month clear and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days' trial and fail to clear at least $100 in this time, ABOVE ALL EXPENSES, can return all goods unsold to us and we will refund the money paid for them. Any agent or general agent who would like ten or more counties and work them through sub-agents for ninety days and fail to clear at least $750 ABOVE ALL EXPENSES, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed; and but two sales a day would give a profit of over $125 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us three one cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine solicitors and carpenters in the country, and ask any reader of this paper who reads this offer, to send us at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money. KENNER MANUFACTURING CO.,

Ceremonies Intermediate Penitentiary.

THURSDAY, NOVEMBER 4, 1886.

For more than thirty years the necessity of an additional Penitentiary has been the subject of frequent consideration by the General Assembly of the State, but the War of the Rebellion and various other pressing events, postponed action until 1884, when, by act of the General Assembly, on the 14th day of April, of that year, the erection of an Intermediate Penitentiary was authorized, and under which it has been located at Mansfield, and is now in process of construction. Now, that the foundations of the new Penitentiary are about completed, and in view of the fact that the errection of this institution marks a new era in our methods of dealing with the criminal classes in Ohio, it has been deemed desirable to commemorate the event with suitable ceremonies. We are able to announce that His Excellency, J. B. Foraker, Governor of the State, will be present, and in conjunction with Grand Master S. Stacker Williams, will conduct the Masonic services, usual upon such occasions. For co-operation in these services, the members of the General Assembly of Ohio, and other State Officers have been invited, together with municipal bodies and representatives of the press from all parts of the State. All local and county organizations are expect-to be present, comprising Masons, Odd Fellows, Knights of Pythias, Fire Companies, Grand Army Posts, and other Civic, Military, and Benevolent Associations. All of the leading prison experts of the entire country have been invited, and as the National Prison Congress is to meet at Atlanta, Georgia, on the 6th of November, it is expected that a large number of the delegates will stop over a day at Mansfield, and participate in the ceremonies. The exercises at the Prison Grounds will be under the direction of Senator John Sherman, as Officer of the Day. In connection with the Masonic services, addresses will be made by Governor Foraker, Ex-Governor George Hoadley, and by Z. R. Brockway, Warden of the great Reformatory at Elmira, N. Y., and who is recognized as the highest representative of Prison Reform upon the American Continent. In the evening a meeting will be held in the Congregational Church, which will be presided over by Ex-President Rutherford B. Hayes, and President of the National Prison Congress, and a number of brief addresses will be made by speakers from abroad. The day, no doubt, will be a memorable one in the history of Prison Reform, and worthy of remembrance by all who may attend, and we trust, therefore, that you will accept this invitation. All will receive a hearty welcome.
